**INTRA-AGENCY MEMORANDUM**  
**KENTUCKY PUBLIC SERVICE COMMISSION**

**TO:** Main Case File – Case No. 2006-00472  
**FROM:** Isaac Scott, Team Leader   
**DATE:** September 12, 2007  
**SUBJECT:** August 31, 2007 Informal Conference

Pursuant to the August 29, 2007 Staff Notice, an informal conference was held on August 31, 2007. Attached to this memorandum as Attachment 1 is a list of the participants. Listed among the participants is a reporter with the Lexington Herald-Leader. The parties agreed that the reporter could observe but not participate in any discussions. The purpose of the conference was to discuss all pending issues in the case.

Prior to the informal conference, East Kentucky Power Cooperative, Inc. ("EKPC"), the Attorney General's office ("AG"), and the Kentucky Industrial Utility Customers, Inc. ("KIUC") informed Staff that they had entered into a "Joint Stipulation and Recommendation" ("Joint Recommendation"). The remaining party, the Cumberland Chapter of the Sierra Club ("Sierra Club") did not sign the Joint Recommendation.

At the beginning of the conference, Staff informed the parties that as the Joint Recommendation was not unanimous, the Commission could not consider the document in rendering its decision. Staff indicated that at the hearing they would be questioning EKPC's witnesses and the Sierra Club's witness. The parties agreed that they would have no cross-examination for KIUC's witnesses, and Staff indicated that it had no questions for those witnesses.

Staff asked what issues the Joint Recommendation addressed. EKPC and the AG indicated that revenue requirements, rate structure, and the timing of the rate increase were addressed. The Sierra Club stated its objections to the Joint Recommendation.

There being nothing further to discuss, the conference was adjourned.
